The Last Show

It's hard to believe this show season is coming to a close. The last few shows have been so much fun. The September Sponsor Show was a big success, the Fall Fun Show was a lot of fun! The Halloween costume contest was the best ever; so creative you all were! Thanks to everyone that participated. And the last show was a great turn out on a perfect day! We so appreciate the extra hands that helped out through out the day. We can use as much help as possible to move things along and help things run smoothly. Even if it's a short amount of time.

So as the year begins to wind down to a close and the holidays are quickly approaching. take a moment to reflect on why you decided to join the club, maybe it was to further your horsemanship, meet new friends or just hang around people that all share a common bond. Maybe you just come out to get in some practice before the next big show. What ever the case may be, take the time to look back on all the memories of the show season and give Thanks to your friends and family, the board members that worked hard all year long to keep it going, our sponsors and most of all.....The Horse!

A Note from the President :

"Thanks to all who have joined us in the shows so far this year!

Please come out and make our last one memorable!"

- Stefanie Gagliardi
